VITAL RECORDS

OF

WEST GARDINER,

MAINE,

TO THE YEAR 1892.

EDITOR,
HENRY SEWALL WEBSTER, A. M.

COMMITTEE ON PUBLICATION,
ASBURY COKE STILPHEN.

GARDINER, MAINE:
THE REPORTER-JOURNAL PRESS,
1913.

THIS publication is issued in accordance with the provisions of Chapter 203 of the public Laws of 1903, as follows:

SECTION 1. Whenever the records of the births, marriages and deaths, previous to the year eighteen hundred and ninety-two, beginning at the very earliest date, of any town in this state, shall be collected from church records, church registers, records of clergymen, family bibles, public records and other available sources, and shall be printed and verified in the manner required by the standing committee of the Maine Historical Society, under the editorship of some person selected by said committee, whose services shall be rendered free and without any compensation, and the work shall appear to them to have been prepared with accuracy, the secretary of state shall purchase five hundred copies of such record at a price not exceeding one cent per page; provided that the written copies of the town records shall become the property of the state, and shall be deposited in the office of the state registrar of vital statistics; and provided, further, that not more than five hundred dollars shall be expended by authority of this act in any one year.

SECTION 2. The volumes purchased as aforesaid shall be distributed by the state registrar aforesaid as follows: one copy to the office of secretary of state; one copy to the state librarian; one copy to the free public library of each town and city of the state; one copy to each state and territorial library in the United States; one copy to the library of congress; one copy to each incorporated historical society in the state; one copy to the library of each college in the state; and one copy to each registry of deeds. The remainder shall be placed in the state library for the purpose of exchange.

THE TOWN OF WEST GARDINER was incorporated August 8, 1850. All of its territory was taken from the city of Gardiner.

April 3, 1852, a portion of its territory was taken to form a part of the town of Farmingdale, which was then incorporated.

March 19, 1853, a part of the farm of Thomas M. Clark was set off from Farmingdale to West Gardiner.

March 22, 1856, part of the town of Litchfield was annexed to West Gardiner.

1880	(U. S.)	977:

EXPLANATIONS.

1. When places other than West Gardiner and Maine are named in the original records, they are given in the printed copy.

2. In all records the original spelling is followed.

3. The various spellings of a name should be examined, as items about the same family or individual may be found under different spellings.

4. Marriages and intentions of marriage are printed under both names, but the full information concerning each person is given only under his or her name. When both the marriage and intention of marriage are recorded, only the marriage record is printed. An asterisk after a marriage indicates that the intention was not found recorded, and in many cases this is accounted for by the fact that neither party belonged in West Gardiner, and consequently publishment was made elsewhere.

5. Additional information which does not appear in the original text of an item, i.e., any explanation, query, inference, or difference shown in other entries of the record, is bracketed. Parentheses are used only when they occur in the original text, or to separate clauses found there, such as the birthplace of parents in late marriage records.

6. Where a gravestone inscription gives the birth of a married woman without indicating her maiden name, the latter, whenever possible, has been supplied by the editor, and the record inserted under both names.
